*Powering Business Worldwide*

## Set up quickly and easily with the Amazon Alexa App

Eaton's broad selection of Wi-Fi smart devices offer reliability with unbeatable ease of setup. Every device sets up quickly and easily with the free Amazon Alexa App—no hubs or controllers are necessary. You can even add voice control using an Amazon Alexa device such as an Echo.

### Frustration-Free Setup

Just turn on your device and set up is simple using the Amazon Alexa App.

### No hub required

Quickly and easily set up a wide variety of smart home lighting control devices without hubs or controllers.

### Voice control

Just ask Alexa to turn your lights ON/OFF or brighten/dim lights when used with an Amazon Alexa device.

### Easy installation

LED indicators confirm proper installation and eliminate callbacks.

### Personalization

Schedule lights to go on and off—and even dim—to fit a daily routine.

### Up-to-date

Ensure you have the latest features and peak device performance through over the air updates.
